The Cultural Association (Raagam , Thalam, Pallavi)

Annual Report 2015-2016

A warm Good Morning to one and all present here. I take this opportunity to present the cultural association (Raagam, Thalam, Pallavi) Annual report for the academic year 2015-2016.

Consider a tree for a moment, as beautiful as trees are to look at, we don't see what goes on underground. As they grow roots trees must develop deep roots in order to grow strong and produce their beauty. But we don't see the roots. We just see and enjoy the beauty. In much the same way, what goes on inside of us is like the roots of a tree, Here Thiruthangal Nadar College has been a deep roots of each and every students life it gives not only academic skills but also in non-academic activities to bring the extraordinary talents of each students and provide them a good platform. All these things would not be happen with the help of our Secretary and Correspondent Thiru.S.K.A Savarimalayan B.com., Dr. S. Murugesan Principal, Member Syndicate University of Madras and Our Benevolent Management.

We are happy to present the cultural association students achievement in Intercollegiate Events for the current academic year.

Being Thankful and expressing our gratitude is an important of being happy in life. Finding proper way to thank others for their generosity or reminding ourselves just how we have to thankful for can be rewarding year around on this occasion I would like to thank few people who are supported this cultural team for the successful journey. I express my sincere gratitude to our secretary, Principal, Vice Principal for their encouragement and also heads of various departments for motivating and send their department students to participate in Cultural activities. My sincere thanks to Office people for arranging necessary things for students while they come for practice during Saturday and Sunday. A special thanks to our management recently sanctioned the travelling allowance for the cultural students. Finally I would like to thank our students who taken lead for the year 2015-2016

All this success would not be happen because of these students. Looking same kind of support from all the ends for the upcoming years. With this few words I keep and end for my report.
